Office of the Adjutant General
North Dakota Aeronautics Commission

Subject: Northern Plains Unmanned Aircraft Systems Test Site Policy – Privacy and Ethics

It is the policy of the Northern Plains Unmanned Aircraft Systems Test Site (NP UAS TS) that all flying under the NP UAS TS utilize the policies and procedures of the University of North Dakota's Committee on Unmanned Aircraft Systems Research Ethics & Privacy.

This ensure our compliance with all local, state and federal guidelines associated with the ethics of flying UAS at the NP UAS TS as well as the requirements in the Federal Aviation Administration's Other Transaction Agreement, Article 3.

Thank you for you compliance with this policy. If you have any questions, need additional information or would like to seek an exception to the policy, please feel free to contact me at any time.
